

Statement of Faith

What We Believe:

- That the Bible was written by inspired men of God and is true in content.
- In the trinity of God: God the Father, God the Son and God the Holy Spirit.
- Our eternal God is omniscient, omnipotent, omnipresent, infinite, righteous, glorious, holy, and the creator of the universe.
- That Jesus is the son of God, the second person of the trinity. He was conceived by the Holy Spirit and born of the Virgin Mary. He is God in flesh and he has known no sins. He died for us at Calvary, rose from the grave and ascended to heaven, and is now interceding before his father for every believer.
- That the Holy Spirit is the third person of the trinity living inside each believer and inspiring them to live a Christ-centered life.
- That Satan exists and is powerful. He accuses us, tempts us and tries by all means to take us with him into darkness. He will be defeated, at last, and thrown into hell with his disciples.
- That the consequence of sin is death and eternal life is the gift of God, through Jesus Christ for those who believe.
- That Jesus Christ will come back, visibly, to gather the believers, resurrected or alive, and take them with him into his eternal glory.
- That we are saved by grace, not by our own deeds.
- That we need to be born again to enter the kingdom of God
- That funeral services are not help to save the dead but rather to encourage and console friends and families.
- That children are dedicated, or presented to God. They can get baptized only when they're old enough to understand the act.
